REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

The world was robbed of the 21st-century Twin Towers most of us always wanted.

A complete rebuild of the original twin towers sends a powerful message to the world that America will NOT be intimidated by terrorists and swayed by frightened, politically-correct politicians / policy makers having us believe that the towers should be replaced with an ugly twisted wreck of incongruent angles and call that a 'freedom tower'.

If I were in charge the towers would be rebuilt identically with a few extra floors at the top - Americana...baby...

Donald Howland * All Other Americans 6/24/2007
REBUILD!!

Jeffrey Garcia All Other Americans 6/24/2007
We got to stick up for what is right.
The Twin Towers is what America stands for.
Lets rebuild them the way they were.

Steve Hyde * Architects and Builders 6/24/2007

Bill Lioio All Other Americans 6/24/2007
Although I don't live there now, I was born and raised in New York and will always consider myself a New Yorker.

Rebuild the Twin Towers!

Kevin Posey All Other Americans 6/24/2007
What part of REBUILD don't the politicians understand?

Patrick Norton All Other Americans 6/24/2007
There would be no better example of the resilience of the American people than to re-build the Twin Towers. Build It!

Preston Macy All Other Americans 6/24/2007

Put me down for supporting a larger more imposing structure or structures that better reflects a willingness to stand as the leader against extremism as we forge into the New Millenia.

Shane Davis All Other Americans 6/24/2007
American memorials should be reinforced with a hearty measure of resolve. Rebuilding the twin towers is the ONLY way to show that the fascist murderers who attacked us cannot change or destroy our way of life. Let's put politics, money and investment arguments aside for once, especially for those who

JJ Timmins Our Armed Forces & Families 6/24/2007

Rebuild them just like they were before. My family's business was very close to them, the towers were an icon of that business, and the towers are an icon of New York and America. Better than the proposed new 'design,' which looks like a nightmare. Make a statement - put them back.

Capt Joel Van Horn, USAF Our Armed Forces & Families 6/24/2007

It's the right thing to do.

Robert Vinci All Other Americans 6/24/2007

Do it.
Do it now!

Ken Base All Other Americans 6/24/2007

Do what is right!

Rick Bohn All Other Americans 6/24/2007

This is the only plan that shows what the U.S.A. is truly about.

Shimon Rolnitzky All Other NY & NJ Residents 6/24/2007

Shame! why did we give in to the terrorists?

James Hale All Other Americans 6/24/2007

When I was a kid and got knocked down in a fight, every time I got back up again, the concern on the face of my opponent was clearly visible. Expecting to have won the fight, he became somewhat unnerved every time I got back up to look him in the eye. There were a few times when I got my butt kicked but I never lost a fight.

It's time to send the same message to our opponents in this war. Knock us down and we will get right back up again to look you straight in the eye!

I support the rebuilding of the World Trade Center on the original grounds.

Sean Davis All Other Americans 6/24/2007

It would be a fitting memorial to those who died to rebuild exactly what was there before.

Most sensible thing to do.

Kevin Kersey Metro New Yorkers 6/24/2007

died on 9/11.

Do the right thing. Rebuild the twin towers.

 **J Collard** All Other Americans 6/24/2007

rebuild like trump suggested. stronger, better, and add some floors to make them bigger. end of story.

 **John Monteen *** All Other Americans 6/24/2007

Build them back... higher with the highest floor housing the memorial!

 **Richard Reynolds** All Other NY & NJ Residents 6/24/2007

Why give in to terrorists?

 **Michael Barrett *** All Other Americans 6/24/2007

Build the towers back with one extra story on each.

 **Kyle Cooke *** All Other Americans 6/24/2007

Rebuild them!

 **Amber Gulmatico** All Other Americans 6/24/2007

Rebuild them already! It should have been done three times over by now!

 **Len Hutchison *** All Other Americans 6/24/2007

I'm not really sure why I want to present another target for rabid Muslim terrorists; but I believe that there are other targets on a list somewhere. To not rebuild the towers is an acknowledgment that the rabid Muslims won the day. We shouldn't allow the empty New York skyline to forever be an icon of that victory. The rebuilding would be ideological response that says stick it you ear!

The solution is simple...rebuild it, but add at least 2 additional stories, which could be used as a memorial. I would make it an exact replica except for the additional height. May God continue to bless America, and may we continue to deserve it.

 **John Reed** All Other Americans 6/24/2007

 **Amy Leavitt** All Other Americans 6/24/2007

Rebuild the towers how they were. That's the strongest message.

 **STEPHEN EBY *** All Other Americans 6/24/2007

STAND UP AND BE COUNTED AMERICA, NO ONE ELSE IS GOING TO DO IT FOR YOU! GOD BLESS ALL THOSE INVOLVED IN 9/11 AND GOD BLESS OUR SOLDIERS!

I agree that the Twin Towers should be rebuilt as they were (only stronger) to show those who are out to kill us, that though they may kill some of us, they cannot kill our spirit.

 **Teri Hackley** All Other Americans 6/24/2007

The Statue of Liberty is the "Welcome" to our country, but the Twin Towers is the Inspiration. Rebuilding them is the ONLY WAY to show other countries that the USA is the best country in the world. Stop being stupid and rebuild them exactly the same.

 **Paul Woods** Our Armed Forces & Families 6/24/2007

Stick it to the terrorists and rebuild the towers that helped to define New York!

 **Timothy Palya** All Other Americans 6/24/2007

I would like to see them rebuilt but it really don't matter. In the end we will all face East and pray. We don't have the guts to win the war!

 **Fred Scerbo Jr** All Other Americans 6/24/2007

ENOUGH WITH THE POLITICAL CORRECTNESS!!!!!!!!!!!! REBUILD THE TOWERS JUST AS THEY WERE, NOW!!!!!!!!!!!!

 **Robert Shaw** All Other Americans 6/24/2007

Glass just doesn't cut it. REBUILD the Twin Towers taller than before and in concrete to represent the strength of our nation.

 **jake m.** Citizens of Other Nations 6/24/2007

The world is laughing as long as those towers are not built. Prove them wrong!! You can rebuild now stronger, higher and faster. Rebuild those towers...a story higher if you need to.

 **Edward Winegart** All Other Americans 6/24/2007

And place a Christian Cross pon the TOP.

 **Jacques Ditte** All Other NY & NJ Residents 6/24/2007

Rebuilding as it was and maybe even a bit taller is the only response that is acceptable to show the world that the United States does not cower to terrorism.

 **Stephen Smith *** Port Authority & Families 6/24/2007

Rebuild them just as they were...only made out of solid, reinforced concrete so they can never be brought down again.

 **Joseph Pizzo** All Other NY & NJ Residents 6/24/2007

Just put them back. It's the right thing to do.

 **Mike Zywiak** All Other Americans 6/24/2007

There is sufficient room to put the new towers up while preserving the footprint of the old towers.

 **Joe Kowalski** All Other Americans 6/24/2007

God bless New York! Do what you know is right – rebuilt WTC!

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
