REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Click above for more comments that rebuke the cynicism that tried to replace the Twin Towers and failed.

I grew up in Brooklyn and had the best view of The Towers. The Towers must go back up or the terrorists win. When I was little and had a nightmare I would run to the window and see the Towers and know everthing was OK. Now when I go back it's sad.

Bring them back!! Don't let the terrorist win and dictate what we can and cannot build here. It's our country, our state, our city. Let's go Pataki. Let's go Bloomberg. Let's go Corzine. Stop ignoring us!!

 **Dawn Freeman** All Other Americans 4/21/2006  
If we DON'T rebuild the Twin Towers, we empower every terrorist who ever thought ill of the United States or any American. As the old saying went, "DON'T TREAD ON ME!" Remember, you're only beaten if you stay down, so...RISE UP, TOWERS!

 **Irving Malatzky** All Other NY & NJ Residents 4/21/2006  
Let's stand up like Americans and get the job done.

 **Joni DeMille** All Other Americans 4/21/2006  
If it were up to me, I'd rebuild the towers at least 1 floor taller than they were when those scumbags knocked them down. Call the towers Mecca & Medina, & let it be known that if they fall again, so will the Muslim holy cities sharing their names.

 **John Cullen** All Other NY & NJ Residents 4/21/2006  
I went through the WTC PATH station every day for over 15 years. My company celebrated our X-mas party at Windows on the World in Dec 2000. There

Let's rebuild. It will hopefully help in giving us all a sense of things returning to normal even though we know things will never be the same. Those towers belonged to all of us.

Build the towers but build them taller! That's what we want to see. No one wants to see some art deco variation....this is NY...we need our twin towers back!

I BELIEVE IF WE DON`T REBUILD THEM AS THEY WERE OR EVEN BIGGER NOW. THE TERROROISTS HAVE WON THAT BATTLE. IT WOULD BE A GREAT SLAP IN THEIR FACES IF WE REBUILD BIGGER AN BETTER BUT LOOK THE SAME.

 **Justin Acocella** Other NYC Responders & Families 4/21/2006

were no X-mas celebrations there in 2001. The towers must be re-built!

 **Walt Hampton** All Other Americans 4/21/2006

I am so glad to have found multitudes of others who feel as I do about the Twin Towers. Although not a New Yorker, they were just as much a part of me as those of you who are fortunate enough to call yourselves native New Yorkers.

We absolutely have to rebuild the Towers: the most powerful memorial and the most powerful statement we can possibly make of our determination to defeat and uphold the banner of freedom for the world.

 **Frances Randolph \*** Metro New Yorkers 4/21/2006

To rebuild would send a tremendous message to the entire world that it is easy to kill and destroy. To rebuild will show them that no matter what they did, they woke a sleeping giant. REBUILD!!!!

**Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.**

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

\* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.

*This website is not as scalable as newer sites are and is best viewed on full-size monitors.*
