I definitely think the Twin Towers should be rebuilt. I think the areas where the planes hit the towers should be made into a memorial. If we don't rebuild them then we are letting Bin Laden win. He is basically dictating to us about building tall buildings. We can't have that. We must rebuild the twin towers.

**Viola Wallace** All Other Americans 7/1/2007

**Alaina Lambert \*** All Other NY & NJ Residents 7/1/2007

We need our twin towers back. Give us back what they took from us.

**Randall DeWitt** All Other Americans 7/1/2007

Rebuild them just as they were! Why would we do anything else?

**David M. Opperman \*** All Other NY & NJ Residents 7/1/2007

What is the holdup? Break ground and get started!!!!

**Michael Sysyn** All Other Americans 7/1/2007

End the politics. Build the Towers taller and stronger. Lead, follow, or get out of the way!!!

**Janice Brumby** All Other Americans 7/1/2007

REBUILD THE TWIN TOWERS!! STOP THE POLITICALLY CORRECT BULL! THESE TOWERS SHOULD'VE ALREADY BEEN BUILT!

AMERICA WANTS THESE TOWERS TO BE RE-BUILT, JUST AS THEY WERE. BRING THEM BACK!! SHOW OUR ENIMIES THEY CANNOT STOP THE AMERICAN SPIRIT!!

BUILD THE TWIN TOWERS, NOW!! NO MORE STALLING!! WE LOVE THE TWIN TOWERS!!

**Maureen Flynn** All Other Americans 7/1/2007

It would be wonderful to see the twin towers soaring over the Manhattan skyline again. What a great way to say to the terrorists, "if you try to knock us down, we will always stand right back up again."

**Baird Swanson** All Other Americans 7/1/2007

I agree; do it.

**Mitchell Hearne** All Other Americans 7/1/2007

**Brian Sanchez** Metro New Yorkers 7/1/2007

Gov. Spitzer: Please unravel all the red tape that Pataki has created. While he was making these decisions in a bubble, you have been on the outside (along with other New Yorkers and Americans). It is crystal clear what the people want and need.

**David Lemm** All Other Americans 7/1/2007

Just build them, and when we catch OBL we can toss him off the top. Its crude, but we need to stop playing games and finish the job!!!!

**Tim H** All Other Americans 7/1/2007

Why would we build something other than the Towers? I want the original skyline back, and I want to stick it in the eye of the radical muslims. We need to show strength, and putting those building back is the best way to do that.

**Ronald Burkholder** All Other Americans 7/1/2007

**beau dromiack** All Other Americans 7/1/2007

Rebuild the twin towers...new and improved...same exterior design...same height.

When someone sprays graffiti...the best solution is often to repaint as quick as possible so as to reduce the exposure for the vandal - minimize his perceived success. Our situation is no different...only the vandal is bigger and distruction bigger.

If we rebuild, it will show the "vandal" that his efforts where in the end worthless and that the strength and optimism of America is beyond his understandi

**Duncan Daily** Our Armed Forces & Families 7/1/2007

My only thought since 9/11; rebuild them.

**Anthony Codispoti** All Other NY & NJ Residents 7/1/2007

Rebuilding those two towers will be the most inspirational thing that could ever be done. Do it and do it now!!

**Lee Wallace** All Other Americans 7/1/2007

**Donna Burns** Port Authority & Families 7/1/2007

The Twin Towers have been a symbol of this country for so long. We need to put our symbol back just like it was. Show the radicals, you can hit us but you can not hurt us!

**Jim Moser** All Other Americans 7/1/2007

Let the jihadists know that we will not go quietly into the night!

**Christopher Staudt** All Other Americans 7/1/2007

We cannot let the terrorists win! Build us back our guts!

**glenn verkruysse \*** All Other NY & NJ Residents 7/1/2007

**CHRIS GROH** All Other Americans 7/1/2007

Yes, rebuild

When the people were charged with debris clean-up, it was done in record time. When the government was charged with rebuilding, all they could accomplish was petty quarreling and stalemates.

That hole in the ground is a colossal embarrassment to

 **Robert Groleau** All Other Americans 7/1/2007

Rebuilding the towers will show the terrorists that all of their planning and efforts amounted to nothing.

 **Robert Sciolino** All Other Americans 7/1/2007

The clearest symbol of our resolve and our resilience is to put the Towers back where they belong.

 **Patty Perillo** All Other Americans 7/1/2007

RE-BUILD, RE-BUILD, RE-BUILD!!!!

 **Tom Conley \*** All Other Americans 7/1/2007

 **Paul Romaldini** Metro New Yorkers 7/1/2007

 **Bill Fitzgibbon** Citizens of Other Nations 7/1/2007

NOTHING ELSE WILL DO! THEY ARE AND FOREVER WILL BE A PART OF AMERICA!! JUST DO IT!!

 **chris h** All Other Americans 7/1/2007

The thing that I want to see would also be an ultimate insult to the people that brought them down. Rebuild them, right down to the last doorknob !!!!!!!!!!!!!!!

Notice how the Pentagon was completely restored before we even knew it, strange ....

 **Paul Birsch** All Other Americans 7/1/2007

this a no-brainer-REBUILD THEM!!!

 **Ryan Carroll** All Other Americans 7/1/2007

 **Barry Rideout** All Other Americans 7/1/2007

Build them taller and with the spot beams on top.

 **Jim Dahlheimer** All Other Americans 7/1/2007

Build them again! Higher! Stronger! Better than before!

 **Paul Kobi** All Other Americans 7/1/2007

rebuild the towers. New York has not been the same since they went down. Let the world know that no one can destroy this great nation.

 **John DellaMorte \*** All Other Americans 7/1/2007

Every time I see a movie that is pre-911 and see that skyline, I miss it. Lets rebuild it, why should we grant the islamofacists a permanent victory of the loss of our skyline.

Rebuild it

 **Shaun Bassett** All Other Americans 7/1/2007

 **Joshua McGarry** All Other Americans 7/1/2007

Stop this politically correct madness and rebuild the towers. Screw the elites and do what it right America!

 **William Moore** All Other Americans 7/1/2007

Just the right thing to do.

 **Mark Ramsey MD** All Other Americans 7/1/2007

 **Rob Spencer** All Other Americans 7/1/2007

Bigger, taller, greater!

 **bjorn hanson** All Other Americans 7/1/2007

Make them New and Improved! Same look, but Better with everything, energy efficiency, stability.

 **Dean Griffin \*** All Other Americans 7/1/2007

Rebuild the Twin Towers. The skyline will never be the same without them.

 **Lawrence Gelman \*** All Other Americans 7/1/2007

Rebuild the Twin Towers exactly as they were and add one story more. This would demonstrate defiance of those who would seek to destroy our country and reaffirm not just to the rest of the world but also to ourselves our nation's commitment to the concepts of freedom, liberty and independence for all peoples.

 **Charles McCane \*** All Other Americans 7/1/2007

New York has been handed an opportunity to build the worlds tallest twin towers. It's time to beat the Petronas Towers.

 **Chris Lund** Metro New Yorkers 7/1/2007

 **Mark Krautheim \*** All Other Americans 7/1/2007

 **Kerry Murphy** All Other Americans 7/1/2007

 **Kyle Moore** All Other Americans 7/1/2007

Frankly, it's embarrassing to me as American they haven't been rebuilt by now! It is so obvious this is the right thing to do, not just for NY and USA, but to show the rest of the world they can't knock us down. The Towers, when rebuilt, would be more popular than ever and would restore the NY skyline.

 **gregg brustad** Lwr. Manhattan Residents & Workers 7/1/2007

YES!!! Build them again plus one more floor for defiance!

We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.**

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

\* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.

*This website is not as scalable as newer sites are and is best viewed on full-size monitors.*
