Restore our Nation's skyline!!!!

**Thomas Plummer** All Other Americans 10/11/2007  
I traveled to NYC for the first time last March. What a wonderful city. As we were approaching the Newark airport I was struck by the ummistakeable gap in the skyline of lower Manhattan. We need these symbols of national pride restored. Allowing the animals that did this to change America's skyline would be a crime. The Freedom Bunker design is pedestrian at best. It is simply not representative of NYC, no matter how badly the political cronies want it to be.

**Scott Anderson** All Other Americans 10/11/2007  
The towers were a symbol of Capitalism in the Western world and deserve to be rebuilt.

**Melissa Perez** All Other NY & NJ Residents 10/10/2007

**Brian Reilly** WTC Tenants Who Would Return 10/7/2007  
The Towers need to be back in our skyline, back in our lives.

**Tim Attier \*** Citizens of Other Nations 10/6/2007  
Rebuild as they were, and add a permanent beacon on top of one of them, to show the world what Americans are made of and give a sign of hope to all people. Freedom Tower is a mere heir that will never live up to the greatness of its forefathers. REBUILD or PROTEST.

**John O'Sullivan** Citizens of Other Nations 10/6/2007  
DO NOT ADMIT DEFEAT. Rebuild the Twin Towers.

**Travis Connorly \*** All Other Americans 10/4/2007  
The twin towers were a monument to all Americans, and just because they were brought down, we should rebuild them to show that us Americans will never ever give up, and will always have pride!!! Also we will always cry American tears!!!

**Diane Arnemann** Metro New Yorkers 10/2/2007  
I thoroughly support the re-building of the twin towers. They were a source of American pride and should be rebuilt. I watched them erected from my kitchen window and I watched them burn for days.

**Richard Ashley** Our Armed Forces & Families 9/24/2007

**Michael Annand \*** All Other Americans 9/24/2007  
There is no doubt in my mind... the towers need to be rebuilt. However, they should be bigger and stronger than any other building in the world.

**catherine zelinski** All Other NY & NJ Residents 9/23/2007  
I think the towers should be rebuilt. If they are not, that's a sad statement about our country!

**Rebecca Wyatt** Citizens of Other Nations 9/23/2007  
Rebuild them and lets show the world no one is afraid of terrorism.

**sean quinn** Metro New Yorkers 9/22/2007  
I think we should re-build the towers the way they were...only better. We should do this not only to make New York City New York City again, but to show ourselves AND the rest of the world..and especially the ones who did that terrible murderous act on September 11th, 2001 that we are proud and resilient! Its the way it outta be.

**Mariel Jean Raymundo \*** Citizens of Other Nations 9/21/2007  
Let it stand proud. New York isnt complete without them.

**Mariether Holls \*** Citizens of Other Nations 9/21/2007

**Starr Holls \*** All Other NY & NJ Residents 9/21/2007  
i want them back because they beautiful like me.

**Bill Holls \*** Metro New Yorkers 9/21/2007  
build them exactly the way they were but 9 and 11 floors higher respectively, and maybe with anti-

The Manhattan skyline is just "sad" to look at now. Building anything less is an insult to those who died there. I'm sure all New Yorkers feel the same.

 **Derek DeMuth** All Other Americans 9/30/2007

I feel by NOT rebuilding the towers we are admitting defeat. Lets rebuild please.

 **doug boxley \*** All Other Americans 9/30/2007

 **Ryan Smith** All Other Americans 9/29/2007

The freedom tower is a joke! America needs to take a stand and rebuild these beautiful towers! How can you replace this American icon with that pathetic building called the freedom tower!

 **Carl DiPietro \*** All Other Americans 9/29/2007

Its my belief that although the new tower is nice, twins are always better!

 **Nicole V.** All Other Americans 9/29/2007

Please, please, PLEASE rebuild the towers! NYC just isn't the same without them.

 **Johnny Dreher** NYC's Bravest & Families 9/29/2007

Please rebuild the towers as they were. I can't believe that it is not even an option at this point. To me it is the only option, make the skyline of New York exactly as it was. It will certainly help us to never forget.

 **James Wacker** Metro New Yorkers 9/28/2007

Anything else will be a tombstone.

I can't think of any better memorial to the victims and families all the emergancy workers.....all affected by that day, than to drive down the west side highway and see those buildings again. you can't bring the victims back, but in my opinion you could in some way by seeing those buildings, the best in the city, country and possibly the world. Not even the petronas towers in malaysia are as breath taking (just my opinon). I wrote at the site last year on the wall BRING THE TOWERS BACK!!!!!!

 **John Koukounas** All Other NY & NJ Residents 9/25/2007

Rebuild it.

 **Gia Klinderova** Citizens of Other Nations 9/25/2007

Eversince 9.11. I thought it was obviously understood that the Twins would be rebuilt the way they were to show that life is going to continue and that NYC will always have the skyline it had, the one it was famous for and the one that represented everything it stood for, is standing for and and always will stand for. I wouldn't give a second thought to saying yes to rebuilding the Towers. I really hope this will become a reality. Thank you to whoever got this petition started.

 **alex vernon** Citizens of Other Nations 9/25/2007

It would be great to resurrect the two towers. Can I make a suggestion or two.....well I will anyway. Rebuild but paint different color  
Rename the towers "phoenix"  
Maybe leave floors empty above point of impact  
I do have one problem about rebuilding though – How will the people working in the towers feel  
god bless nyfd

*TTA Note: The people who choose to work in supertall buildings all over the world feel empowered. Or, they go elsewhere.*

 **Andy Waddell** All Other Americans 9/25/2007

I am a proud, educated American who is deeply saddened and upset that we are not rebuilding the Twin Towers as they once stood. 1.) I think the greatest way to memorialize the victims of 9/11 would be to restore the towers and the previous NYC skyline. 2.) When you get hit you stand up again, to restore America's glory we must rebuild the towers as they were before.

 **mark bird** All Other Americans 9/19/2007

These disgusting Evil leaders from around the world can't wait to visit america and stand in our holy ground and SNICKER. Build these towers as fast as you can so they can go back to merely sneering.

 **V Inman** All Other Americans 9/19/2007

Thank you for restoring my faith that the PEOPLE matter more than the POLITICS.

 **Ashley Baldwin** All Other Americans 9/19/2007

I went to see The Twin Towers in the year 2000. They where one of the main reasons why I came with my parents to New York. And while we where heading home from the family party. We where stop in the city. Once I saw the Twin Towers, I fall in love with them & the city. I've never stopped loving the city of New York. Since that year I've wanted to live in NYC & I still do. We where planning to go back there in 2001. But we never did & that happened. My love for NYC is stronger now.

 **Cindy Reid \*** Metro New Yorkers 9/18/2007

Listen to the people's desires. Rebuild as they were. Show the world we're still standing. We FEAR NO ONE!!!

 **Anthony Verdecanna \*** All Other NY & NJ Residents 9/17/2007

My preference would be to see the Twin Towers rebuilt – I miss seeing the New York skyline without them (pictures, movies, etc.) – I hope to see more Americans supporting this site, and look forward to seeing this effort supported/advertised on TV – I would think one of the FOX programs would give some attention to it.

*TTA Note: We want to point out that the support is just as strong on the left as the right — this is a rare, across the aisle, Americans-first issue.*

defeat islamic terrorism and politically correct mediocrity with the same blow: rebuild the towers.

 **Anthony Dair** Citizens of Other Nations 9/17/2007

Rebuild the towers!! After watching the devastating attacks on the news of september 11th 2001 a lot of people dont feel the same as the new york skyline is not the same, looking at the demolished skyline is a constant reminder of what happened on that day. Although i think it is wrong that we forget what happened, we must rebuild the towers to rebuild the peoples confidence and show terrorists we are strong and can survive!! I hope in the future i can visit and pay my respect to ground zero.

We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.**

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

\* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
