REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Don Taylor (Citizen of Other Nations)

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Click above for more comments that rebuke the cynicism that tried to replace the Twin Towers and failed.

Rebuild the Twins!!! That's one and only the best plan
for New York, for the people and the heart of America.
All other plans are worthless. Let the sky rise again!!

I rather have the old towers than the crappy one. I
dont like the freedom tower becuz whats freedom
about it?? >.> They should just remake the old twin
towers with some different material such as a
memorial chapel for all the ppl who have lost their
lives.

Pete Pettis All Other Americans 1/3/2007
The Twin Towers should be rebuilt as they were
originally, in all their glory. Anything less would be a
victory for the enemy and a black mark on our great
nation. We can not let them win, either by taking
away great landmarks, our personal freedoms, or by
altering our way of life in any way, shape, or form.

Alex Howington All Other Americans 1/3/2007
Build two towers not one. Build both of them at 1,776
feet. One tower is just not the same as two.

pablo rrodriguez All Other Americans 1/3/2007
great Idea, rebuild them both exactly the same they
were.

So much gone! I feel that the best way to
commemorate the World Trade Center complex and
the thousands of lives lost is to rebuild the site exactly
as it was, only with a monument which honors those
who died in the attacks. This would send a message
that nothing has changed. It would say that, no
matter what, we won't waver and cannot be shaken.
It will also allow future generations to see the towers
as they once were. My biggest regret is that I never
got to see them in person.

Anne OBryant All Other Americans 12/26/2006

I believe that rebuilding the Twin Towers exactly as
they were on 9-10-2001, would be the best way to
tell whoever did this, SCREW YOU. To preserve the
memory of those who gave their lives simply going to
work, the Towers should be rebuilt and the exact
opposite footprints. I also think we should put a huge
antenna on top that in the right light might look like a
huge middle finger. Anything else would be foolish.
It's the only way to heal.

James Simpson All Other NY & NJ Residents 12/26/2006

It is a shame the Twin Towers will not be rebuilt
because of politics. What needs to be done is to
reclaim nyc's skyline to what it once was. The current
plan only makes the terrorists victorious while making
us new yorkers the real losers. Shame to pataki and
the all master planners. They're simply kissing the
asses of the people who destroyed a symbol of ny and
giving us a slap in the face by saying "Let's built
something cheaper."

after the tragedy. It's funny to say that I was inspired
to come and be part of this city by that terrible event

| The Freedom Tower is nothing more than a monument honoring Osama bin Laden and the terrorists. Rebuild the Twin Towers to honor the people killed that day. | | | |

| My parents went to the Twin Towers before I was born, and I would like to experience that as well. | | | |

that took a place at the end of the summer of 01...
Needless to say,I have never had a chance to visit WTC,but I was always fascinated by NY skyline and Twins.To me,NYC is not that same city everyone knows and dreams to be part of it,without Twin Towers...therefore,I support rebuilding the towers as they once stood...

My father passed in january 2004, he was raised in Manhattan and attended Holy Name and Commerce schools, I live in North Carolina. I will never forget the pain and horror of the evil that took the twin towers that day, and surely will never forget his expression and sorrow that consumed us as a family.

It's the only right thing to do. It's sickening to go into NYC and not see the towers. Show our strength again.

 **Reed Grele** All Other Americans 12/20/2006
I'm sick of all the politics and being p.c. Yes, there should be a memorial. But let's also show the terrorists that they cannot defeat us. REBUILD! Even taller, stronger, safer, and better than before. I really miss those beautiful twin towers.

 **Geoff Sykes** Metro New Yorkers 12/20/2006
We need to rebuild the original towers as they stood and not settle for some hideous structure.

 **dylan hebert** WTC Tenants Who Would Return 12/20/2006
WE MUST REBUILD THE TWIN TOWERS AND MAKE NEW YORK LOOK LIKE IT DID BEFORE SEPTEMBER 11 2001 AND THE PEOPLE THAT WORKED IN THE TWIN TOWERS THAT DIDN'T DIE SHOULD BE ABLE TO GO BACK. WE MUST REBUILD THE TWIN TOWERS AND NOT BUILD THE FREEDOM TOWER IT WILL TELL TERRORISTS THEY WON. THE TWIN TOWERS WILL TELL THEM THAT THEY LOST!!!!!!!

Yes, we should rebuild the Twin Towers. But not from the "enemies" should we take them back, but from the very government of the United States. 9/11 was an inside job, all evidence shows. It is futile to try and create more excuses for this atrocity.

Regardless though, the Twin Towers must be rebuilt.

 **Scott Iblings** All Other Americans 12/20/2006
Yes, the towers MUST be rebuilt! I never forgot how magnificent they looked when I saw them on a trip in 1989. Any other tower design would be a great icon of victory for those murderers. I can see them jumping around, cheering, shooting guns in the air (barbarians!), while holding pictures of terrorist leaders side by side with pictures of the pathetic "Freedom Tower" as a symbol of our defeat. I agree: The only proper way for NYC and America to heal is to rebuild our beloved TWIN TOWERS!

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
