REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Rebuild the towers, but make them even taller!! Show the world that this is AMERICA!! We do not run and hide from our enemies!!

Robert Griffin * All Other Americans 7/1/2007
The left wears its heart on its sleeve.
The right rolls up its sleeves.

Matt Nichols All Other Americans 7/1/2007
I agree as many Americans do, rebuild what we lost on 9/11. My future children deserve it. I would love to take them to NYC so they can see with their own eyes what America means. It would show a powerful message about growing through pain only makes us stronger. I am embarrassed by the slow growth of the construction process almost 5 years after 9/11. America could have rebuilt 3 sets of Freedom Towers by now. Please bring back the original Twin Towers! Matt from Kansas City.

Paul Hunt * All Other Americans 7/1/2007
we, as americans, must realize that the rest of the world is watching us. how we react to this situation, of to rebuild or not, is key to their perception of the strength of america. our, can do spirit, is in danger of being replaced with internal squabbling, and jealous rivalry.did the evil ones do more than destroy some buildings?

denise chaki * All Other NY & NJ Residents 7/1/2007
Rebuild the Twin Towers as they were. They are the symbols of capitalism and the financial strength of this country. Do not mangle the site. Return the towers as they were and defy those that have tried to destroy it. The should be one story taller to symbolize an "in your face" defiance. Bigger, stronger and taller.

E.H. Lentz All Other Americans 7/1/2007
whatever structure goes there, in that hallowed place, will send a statement.....why not make it the correct statement? why not make the new structure even bigger and better than the towers were? why not make it look like the twin towers, just 5% bigger? this awful project that's being discussed is wrong, my friends, just wrong. it's a sell out to the concept of being PC. to be PC is the path to destruction, look at what has happened in Paris, in London, in Madrid, now Glasgow

God Bless America! re-Build the Twin Towers to show the world Freedom still exists! "Live Free or Die Hard"!

Kurt Debban All Other Americans 7/1/2007

What's not to love about the Twin Towers? Bring 'em back! I can't remember how many movies I've watched with them in the background, and then my mind says, "Oh yeah, they're not there any more." Let's make those Islamic warmongers cry as much as they all rejoiced when they came down. Let's make everyone who loves them, like me, shed a wistful tear of gratitude for the sacrifices made there, but only by seeing them restored to their original glory.

JoAnne Stefanac All Other Americans 7/1/2007

Build 'em just as they were, but stronger and throw in one extra "Freedom" floor as a "spit in their eye"!

Mark Klaus Construction Workers & Families 7/1/2007

Rebuild Now!! When I watch movies made in New York after 9/11, it is like a big hole in the skyline and I get angry all over again. People rise up like we all did with Senate's skewed amnesty bill and get this thing rebuilt.

John Bartee All Other Americans 7/1/2007

Rebuild the Twin Towers, please!

Troy Doyle All Other Americans 7/1/2007

This simply needs to be done. Rebuild them exactly as before. What better way to tell the world we are America!

It really is time to rebuild the Twin Towers. If the Capitol had been destroyed by the terrorists on Flight 93 would we not have rebuilt it?

Edward Breeden * All Other Americans 7/1/2007

The use of recycled steel in the Navy's San Antonio class USS New York is the appropriate memorial. See ...

Put the towers back twice as big to show resolve to kill the radical Islamic Terrorists.
May God Bless America!

 **Kevin Herzogenrath** All Other Americans 7/1/2007

If Americans are still flying. If AA and United are still in business. If the people still has a say in how we operate in this country. Then we should build the the towers again. Was there any argument about what to do in New Orleans after the "twin storms"? No! The only fitting monument to those who died, and those who defend our way of life is to build them as a tribute to our resolve, and their sacrifice.

 **Jesse Segovia** All Other Americans 7/1/2007

We need to put Ground Zero back the way it should be. Let's not let terrorists architect America! Bring back the Twin Towers!

 **Martin Jecklin** Our Elected Representatives 7/1/2007

Seems we have finally put our souls up to the highest bidder. **I bet T.R. is turning in his grave** when he were to see our lack of spine to face the harsh reality of these Facists. Put it back in their face that we are serious about our civilization! That shouldn't be a argument, but it is. **We shouldn't have discussed building a new tower. It seems we don't want to offend the enemy.** Put a fork in U.S., we're done! No Spine, no Spine at all.

The day they cut the ribbon on the new twin towers will a day not unlike the moon landing – an entire country unified in overwhelming pride and it's sprit made whole again

 **Douglas Barrows** All Other Americans 7/1/2007

Nothing in my mind looked better than seeing lower Manhattan flanked by these two grand buildings standing guard over the city. Bring them back!

 **John Rusciano** All Other Americans 7/1/2007

Put the towers back the way they were.

 **Chris Wimberly** All Other Americans 7/1/2007

Please rebuild them exactly as they were! This will show the world. Let's do this now!

 **David Miller** All Other Americans 7/1/2007

Rebuild the towers now!!!!!! Don't let the arab terrorists win.

 **Lee Thielke Sr.** Our Elected Representatives 7/1/2007

I've said this from the start...
A passive memorial will only embolden the Enemy, and in the long run, help them recruit more fanatics. The time for talking has long passed, and these Fanatics have to be dealt with, not just in the field of battle, but her at Ground Zero, where they made a clear and decisive move against the whole Western Civilization.

 **Joe Salem** All Other Americans 7/1/2007

Rebuild them, without bickering or delay. SPIT IN THE FACE OF OUR ENEMIES!

 **Jessica Douglas** All Other NY & NJ Residents 7/1/2007

Why let the enemy decide our fate? Rebuilding shows them that we will not be cowed by their anger, and we are still strong, no matter what they throw at us. Lets show our children that we stood up just when the world thought we would crumble, and that we refused to falter, even when everyone else thought we would break. Rebuild the towers!

 **Paul Elia** All Other Americans 7/1/2007

Rebuild them to look exactly as they were.

 **William Lewis *** All Other Americans 7/1/2007

Our enemies know they are winning the war on terror, every day that hole stays in the ground in New York. What would our forefathers have done? What would the WWII generation have done? They would put the towers back exactly the way they were!!

 **dan householder *** All Other Americans 7/1/2007

 **Ted Shaw** All Other Americans 7/1/2007
Absolutely...Rebuild them so they look the same, only this time higher and bigger than before. No wussy politically correct memorial monuments that only

 **Dennis Justice** All Other Americans 7/1/2007

Build it exactly the same way it was, with one more floor.

God Bless America!

 **Chris Cook *** All Other Americans 7/1/2007

I stood on top the year they were completed as a child and again the month before the fell. They are a personal favorite of mine and anything else would be just a counterfeit!

 **Ed Bodnar Jr.** All Other Americans 7/1/2007

I love New York! Until the Twin Towers are rebuilt exactly the same way they were, I will NEVER be able to get by what happened. That day took a part of me, andwe can put that part back!

I agree there is no substitue. But at the same time NYC needs to back off with its increasingly facist police presence and rediculous rules and fiats. I hope they are rebuilt but don't have much faith that such a thing will happen.

Rebuilding the twin towers is absolutely the only thing to do. It'll show the world America stands strong and restores NY's skyline and image which the world recognizes instantly.

 **Don Nathan** Other NYC Responders & Families 7/1/2007

I drove from Tennessee on September 12th, to do what I could to clean up what had been my favorite spot in the country. To not rebuild what was once there, much admired, and cherished by most, is an insult to us all still here, and to those whose lives were lost. Surely common sense, and the common good willl prevail – and thank you for the opportunity to say it

 **Randy Stroh** All Other Americans 7/1/2007

please rebuild...its our best and only option

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
