The world was robbed of the 21st-century Twin Towers most of us always wanted.

Rebuilding the twin towers would be my dream come true. If they had destroyed the Statue of Liberty would we have replaced it with something else. NO! This new design looks like a twisted skeleton for some worlds fair. It's ugly! Get Donald Trump to rebuild the Twin Towers and it would never come down again. It would also be completed on time.

America should stand proud of its acheivements and not COW down to the Islamic Fundamentalists or any other fanatic in this world. These moneuments will remind us of the values we attach to freedom liberty , and a strong resolve to ward off the haters of mankind. Anything less will be an act of Cowardice. And America is a brave country. Dont go down. Rise up.

We must rebuild the Twin Towers. Not replace it with the lame looking Freedom Tower.

Nothing would make me happier than to see the Twin Towers back where they belong. I think it is an absolute disgrace that nearly five years after the worst attack on American soil, not one thing has been done at the site. What kind of message are we sending to the animals who perpetrated this heinous crime, and more importantly the world? That we could be so easily broken, as a city and more importantly a nation. I think now more than ever a clear message needs to be sent to rebuild the Towers.

**Viresh Mahabeer** Citizens of Other Nations 4/25/2006

I AM CURRENTLY IN CONTACT WITH BERNIE GOETZ FROM MAKENYNYAGAIN, KENNETH GARDNER AND HERBERT BELTON. I HAVE SENT THEM MY SUGGESTIONS, COMMENTS AND ADDITIONAL CONCEPT IDEAS, AND THEY HAVE CONSIDERED SOME OF THEM.

THE IDEA PROPOSED BY YOU, KENNETH GARDNER, HERBERT BELTON AND DONALD TRUMP FOR HAVING THE TOWERS REBUILT, IS THE GREATEST MEMORIAL THAT CAN BE BUILT TO REMEMBER THOSE WHO PERISHED.

**Susan Sylvers** Metro New Yorkers 4/25/2006

The Towers were unique, as New York is. So many of us would rejoice in the rebuilding. An honorable way to pay respect to the fallen.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures.
