REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

I want the towers back where they were originally. Better, stronger, faster, we HAVE the technology! Anything less or obfuscated means you AREN'T American. That is all!

[Dennis Righter](#) All Other Americans 6/24/2007
As a former Weehauken Resident, I used to awake every morning to the site of the towers. I moved away in 2000 and have not been back because of the heartbreak of the sight of them not being there. Rebuild is the only option.

[Robert Mashburn](#) All Other Americans 6/24/2007
Build them again, only taller.

Rebuild, we can have a wtc and memorial in one, and of course a slap to the terrorists

[Jody Wolfe](#) All Other Americans 6/24/2007
Rebuild them, only taller! Never give in to terrorism. Support and defend freedom at all cost. We had a president that believed that a few years ago...

When you get knocked down, you stand up again to show you are not defeated.

[Russ Stringer](#) Our Armed Forces & Families 6/24/2007
Only larger, taller and a few more. Make the smaller towers that were destroyed larger as well. Peace through superior firepower.

Rebuild but taller.

Give us back our skyline. Give our towers. New York City is the greatest city in the history of the world....including ancient Rome, and all that came after. Don't let the dream of rebuilding die. On September 11, 2001 we all became New Yorkers.

[James Justice](#) All Other Americans 6/24/2007
No "Freedom Tower" TWIN TOWERS.

[patty mc](#) All Other Americans 6/24/2007
Rebuilding the Twin Towers as they were, would send a message to all Americans and to the world. The Twin Towers were a symbol for all of us and aided America in representing strength, courage and freedom. If you built the Twin Towers as they were, thousands of people will flock to see them. Should you decide to build the "Freedom Tower" it will fail because nothing belongs on that land except the Twin Towers. That land is sacred and symbolic to us Americans and the world.

[Ty Briggs](#) All Other Americans 6/24/2007
Build them. Now.

[Michael Jiroch *](#) All Other Americans 6/24/2007
Yeah, What is the deal already! Build it. Get it done. Elitist should stop pandering to the NO NOTHINGs. BUILD IT. BUILD IT NOW. WE NEED TO SEE IT.

[Michael Troup](#) All Other Americans 6/24/2007
Nothing will tell our enemies how fruitless their cause is, than to see those two towers rise again- ONE STORY HIGHER PERHAPS- so that the world can see that we can not be defeated!

[Lisa Ohlund](#) All Other Americans 6/24/2007
Let the word go forth to all the people on the Earth – the Lady in the Harbor lifts her lamp to all who will cherish freedom – and let her light once again illuminate the Twin Towers that held so many loved ones, and in whose memory we will build them again – taller and stronger! May the towers reach up to the heavens above to those we love and will never forget!

Putting the Twin Towers back exactly the way they were is the best way to show the world that we will not be defeated, we will not be intimidated and we always rise above our challenges.

It's outrageous that the Twin Towers are not being rebuilt! I personally prefer Donald Trump's plan. The towers can be built on different footprints and with a suitable memorial to those that died on 9/11/2001, using the latest technology for safety and security. They can also each be built at least 1 story taller, to symbolize our triumph over terrorism. Politicians should ALWAYS be our servants, rather than our masters.
-  **Alan Cates** All Other Americans 6/24/2007
Soon it will have been six years since the jihadists struck the continental United States. The Freedom Tower design is a ridiculous abdication of our collective duty to honor the losses and sacrifices we saw on that clear September day. Rebuild the towers – each a foot taller. Every day that Ground Zero remains an empty, open wound is a day that the terrorists draw strength from our fecklessness. The time has come for us to remedy this. Rebuild the towers!
-  **andrew pearce** All Other NY & NJ Residents 6/24/2007
buil 5 towers with the middle one the tallest
-  **Ryan Saffer** All Other Americans 6/24/2007
Indeed, the Twin Towers were, and are iconic. In a lot of ways, they are part of America, our America, that will not soon be replaced, but will stand back up when knocked down. Let us not be 'reborn' as something different, but come back as something proud and proven, something more like the best nation in the world.
-  **G Sisk** Metro New Yorkers 6/24/2007

I can not think of a better memorial than to rebuild the towers as they were before. If rebuilt the same way, they will ALWAYS be remembered and NY/NJ/USA will send a message to the world that we can not ever be beaten.

 **Nicholas Philip** Citizens of Other Nations 6/24/2007
The American people and the people of the world must start to take their power back from the criminals who destroyed those beautiful buildings and who are destroying the American constitution and turning this whole planet into a surveillance prison! I've never been to New York but i have seen the twin towers many times in pictures and in movies. They ARE New York! Put them back up so that someday, i might be able to see them for myself. Nic, London.

I don't see why they don't rebuild the towers. Oh wait there because people want to make money out of the freedom tower complex, that's why. Re-build them, morale will be somewhat different then in America.

 **gaz morgan** Citizens of Other Nations 6/21/2007
these towers must be re-built !!!!!!!!!!!!!

No American will be without a tear of joy at the sight of our strong buildings rising again, and the short-cited owers could actually make a profit if they incorporate much needed condos, apartments, hotel rooms, retail, entertainment, AND offices into the venue. I would love to live there and would actually pay a premium to do so. *EVEN IF NO PART* of the buidings could be used, the huge void it will fill is well worth the financial cost of LESS THAN 1% of what the Iraq War has cost us already!

 **Walter Kicha** All Other Americans 6/18/2007

I worked in WTC 2 for a half-dozen years, witnessed the terror of the destruction. I would prefer to have the entire center restored to its originsl splendor. However, we must build it with adequate structural improvements, reverting to a more orthodox design such as used in the Empire State Bldg.,an extremely solid masonry structure, but NOW with an anti-aircraft/anti-missile defense installation on or near the site!!!

 **Alexandra Torres *** Architects and Builders 6/18/2007
im an american i think they should rebuild the twin towers because its stronger&nicer than some stupid freedom tower.
Sincerely,Alexandra Torres

 **Sabrina cardoza *** Architects and Builders 6/18/2007
i think we should rebuild the twin towers the same as before not a freedom tower. i say rebuild the twin towers the same but stronger.

 **Vincent Martine** Metro New Yorkers 6/18/2007

Rebuild the Twin Towers & reopen them on an anniversary of 9/11 & proclaimed it a national holiday—"freedom day." Visiting them would be like an pilgrimage for all Americans! Office space would be sold out there—it would be very patriotic to be apart of the TTs resurrection. I have been writing letters to prez candidates asking for support in rebuilding the towers—I am not sure what else to do. I can think of nothing more honorable to the memory of those victims then to rebuild what was lost.

 **IRA VALFER** All Other NY & NJ Residents 6/18/2007

WE ALREADY HAD NUMBERS 1-7 WTC. IT IS MY BELIEF THAT THE RE-BUILDING AND THE MEMORIAL CAN BE ACCOMPLISHED SIMULTANEOUSLY — JUST CALL THE NEW TOWERS 9 – 11 WTC.

 **Simon Amor *** Architects and Builders 6/18/2007

Even though i'm not american, I'm British. I Still Believe that the Twin Towers should Be Built along side the freedom tower. The Twin Towers can represent New York as a strong City that can never be blown down and the Freedom tower can represent a New York that will never stop growing.

 **Cesar Moran** Metro New Yorkers 6/17/2007

I want my towers back! I feel for the families of all the lives lost. This is the only way to show all the world that we will show respect to those who died.

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
