REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Click above for more comments that rebuke the cynicism that tried to replace the Twin Towers and failed.

- To allow the towers not to be rebuilt shows that our will is weak, and that we can be defeated at home! The towers should be rebuilt, just the same as they were, as an outward sign of our determination to overcome and defeat terrorists.

- I've lived at 99 John St since 9/01/04,where my brother lived before joining the Marines. He was killed in Iraq 11/19/04. I wanted him to be able to come back to the sight of the towers being rebuilt. What a crock of \$hit. Thanks Mr. Silverstein.

- The empty space where the towers stood is a powerful recruitment poster for the terrorists. It disgraces this great nation that we've allowed them this for nearly 5 years. Restore the towers now!

- I can hardly recognize New York City without the World Trade Center towers. While several buildings like the Chrysler building and the Empire State Building identify the city, the twin towers are the signature of a beautiful city and skyline.

- We should rebuild the Twin Towers, just as they were, but better, stronger and, just to poke it in the eye of

 **Richard Blevins** All Other Americans 4/18/2006

The towers need to be rebuilt to show the world we will not be deterred by any terrorists or any other rogue nation They should be rebuilt to be the tallest as well !

 **Brian Baugh** All Other NY & NJ Residents 4/18/2006
I am stunned that our politicians have not demanded the Twin Towers be rebuilt. The citizens will need to take over this issue. What better way of showing the terrorists they will not change our way of life?

 **Daniel Kreth** All Other Americans 4/18/2006

I wanted to pay respect to the victims and their families that lost their lives on the horrible day. I feel that rebuilding the Towers will really help with the healing process, and the skyline will look normal again. God Bless:)

 **David Caccamise** All Other Americans 4/18/2006

It should be restored as it was.

 **Paul Resko** All Other NY & NJ Residents 4/18/2006

There is no other way to say to the terrorist that there is no way you will beat us, then to rebuild!!

those who brought the first ones down, a little bit taller.

 **Tom Bonanno** Metro New Yorkers 4/18/2006

How can you look out at the skyline and not think of what happened? If we don't rebuild, we are not the land of the free.

How else can you 'lead' the world if you cower behind the facade that is. Be strong and build strong, you will have many more shed a tear at the sight of the great towers rising high, a wondrous sight to behold.

 **David Tannenbaum** All Other Americans 4/18/2006

We need to do this right now!

 **Colin Bovingdon** Citizens of Other Nations 4/18/2006

The Twin Towers, so beautiful! What an achievement! Rebuild them to show the world that terrorism will not win! Two Towers-side by side, united, sybolic of a desire for world unity! Give NY back it's great skyline! Reach for the sky, reach for peace!

 **Brenda Lueker** All Other Americans 4/18/2006

God Bless New York - the greatest city in the universe!

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
