REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Andy Sanchez All Other Americans 9/23/2009
What is up with this country??? We owe it to the victims and to our future to show our strength as the greatest country the free world has ever known! I cannot believe this issue seems to have been swept under a rug. REBUILD THE TOWERS!!!!!!!!!!!!!!!!!!!!!! If not, we have let the madmen win...

Javier Cortes * WTC Tenants Who Would Return 9/22/2009
I agree 100%, there's nothing else to do, nothing more can be done, only two 107 stories (at least) can soar in that place, if they are not going to rebuild them, then bring back all the rubble and leave it that way, it must be rebuilt as it was, give NY its skyline, we all around the world miss it badly!

Susan Rasmussen All Other Americans 9/22/2009
Please rebuild the Twin Towers. I remember living in Westchester County 1970-1975 and visiting relatives in Brooklyn. Each time we would go to Brooklyn, we were amazed at the progress they were making and would bet each other to see which tower would be completed first. These were beautiful buildings and we need them to show that even in tragedy, we can stand tall. I'm sure with today's technology, we can rebuild them stronger than ever. America needs this to help us heal.

Jordan Martin * All Other Americans 9/22/2009
We cannot allow terrorists to alter our Nation's Skylines!

Yale Fried All Other NY & NJ Residents 9/22/2009
The only way to recover is to take action! Rebuild the towers!

Damian Bennett Citizens of Other Nations 9/22/2009
If a natural monument, feature or landmark was destroyed then we could only remember how it was but here is an opportunity to rebuild something that was manmade to start with, and with better technology and safety measures. The Freedom Tower just looks a ghostly and the fact that it has been plagued by controversy is a bad omen.

Marvin Miller All Other Americans 9/21/2009
Rebuilding the twin towers would be the greatest show of resilience, strength and patriotism the world has ever seen. Whatever meaning the towers had to

Kevin josh * All Other Americans 9/17/2009

Dan Helinski * Metro New Yorkers 9/17/2009

This is more practical, and will show other nations that we will not just give up, we will replace what they destroy and stand strong!

Chris DeLucia All Other Americans 9/17/2009
Why are you building something different? This just tells people that we've been defeated. We aren't defeated...Do you know why? BECAUSE WE'RE EFFING AMERICA! Put back what was once there? The people have spoken? so.....will barack obama Deliver?...or dissappoint?

Jon McEvoy * All Other Americans 9/17/2009
Bring back the twin towers in remembrance of the ones who gave there life to try to keep them.

Daniel Jenkins * Citizens of Other Nations 9/17/2009
The twin towers were an iconic figure in New York, and to rebuild them would bring comfort to the whole of New York and America. There is only 1 choice in my opinion...

them before, would be magnified a thousand times over when everyone sees them once again reach up into the sky, into the heavens. I don't think any other brick and mortar building put there would ever be as adequate or significant.

Kim Donofrio All Other Americans 9/21/2009

The twin towers were symbolic of America's might and prosperity. They were just as much a landmark as the statue of liberty, the empire state building the nation's capitol.

Shoshana Knapp All Other Americans 9/21/2009

Yes. Fill the hole in New York's skyline with a living tribute to the spirit of our cherished victims.

Serge Babin Citizens of Other Nations 9/20/2009

I dont have alot to say but i would really like to see the towers rebuilt. Anytime NY comes to mind i think of Lady liberty, the empire state building and of course the beloved twin towers. Visiting NY for the 1st time soon, wish they were still there :(

Umeshdutt Ramnauth * Citizens of Other Nations 9/19/2009

Please build the twin towers again. The Twin Towers were a graceful building. It was so beautiful. Also, we have more advanced technology from 2001. Please help build the twin towers back.

Leonor Gomes Citizens of Other Nations 9/19/2009

Jack Parker * All Other Americans 9/19/2009
build back the towers that would be more of a tribute than the tower of freedom

Chris Hoff * All Other Americans 9/19/2009

I would love to see the Towers go back up stronger and taller. I don't support or want anything to do with this freedom tower crap. It's a insult to all the people that lost their lives that horrible day. So please bring them back stronger and taller than ever.

Craig Walker All Other Americans 9/19/2009

You can't bring back the lives lost. But at least you can bring back the buildings.

Justin Dunn All Other Americans 9/18/2009

I never noticed the twin towers before the tragedy of 9/11. However, seeing the city without them now, is tragic and I think rebuilding them stronger and taller than ever before would go a long way in healing the soul of New York and the entire country.

Dylan Gambrel All Other Americans 9/17/2009

I remember that day this tragedy happened, and i think we should show these terroirsts that we the people will NOT stand down and we will do anything to protect our beautiful country by building the Twin Towers back.

Aaron Grisham * All Other Americans 9/17/2009

Towers need to be rebuilt. Simple as that. If you build this ugly Freedom Tower you will let the terrorist win.

Jay Glaus All Other Americans 9/17/2009

Please rebuild the twin towers and show that we can stand strong as a nation. Heal the skyline!

Duane Ayres All Other Americans 9/16/2009

The WTC Towers stood since the mid 60 to early 70s,been featured in many films and TV series. Which made them Historical,a staple in Manhattan. Make them a few stories taller and better,but same outer design.

Josh Chancellor All Other Americans 9/16/2009

it would be a travesty if the Twin Towers were not resurrected. this would be the greatest symbol of freedom and patriotism the world has ever seen. bring them back!!!

Rev Johannes Myers All Other Americans 9/16/2009

Rebuilding the Twin Towers stronger and safer is the more prudent thing to do.

Greg Perez * All Other Americans 9/16/2009

I would love to see the wtc be rebuilt again because before 9/11 they symbolized america and were the focus point of nyc. Now with still nothing there and plans to build the stupid freedom tower or wtc 1 i think its time to take action and rebuild the beautiful twin towers!

Matthew Linville All Other Americans 9/16/2009

It's past time to get these towers built. Procrastination is a slap in the survivor's faces.

Keene Barnett All Other Americans 9/16/2009

I believe rebuilding the twin towers would show that we are not going to back down or change our ways because of the acts that were taken on 9-11

Ahmed Ahmed Citizens of Other Nations 9/16/2009

Hello

The events of September when it happened on 11.9.2001

I was only 10 years and I'm from the Middle East, now I remember the scene very frightening

I was child, but there is something in my heart told me that this is something bad and dangerous

Now I am 18 years old and very sad because of what happened

It was a normal working day suddenly turned into a disaster

In the eighth anniversary heard in the news that there is still Ground Zero as it is not the project ends Discussed in the Internet and knew everything about design

And I chose to rebuild the Twin Towers

It's the best building in the world and I think that this is also what made terrorists destroy it

But do not anyone will be able to destroy life in the heart of New York City

So I found it my duty to join with you and encourage you

I'm with the Twin Towers

But we will be to see the twins towers again rise in the skies of New York high and lofty say to every terrorist

I'm back again will not be able any person to collapse me

Yes for twin towers

World with you YES TWIN TOWERS

Ahmed

Ahmed Barakat WTC Tenants Who Would Return 9/15/2009

As an American i would love to see to the beautiful towers that made New York beautiful that gave it more life, and not a tower that looks horrible compared to those towers that was brought down on that faithful day

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
