## REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Click above for more comments that rebuke the cynicism that tried to replace the Twin Towers and failed.

On 11Sep01 I watched the Pentagon burn and then I was able to watch over the next year as it was rebuilt. New York needs the same thing. The only change might be to add a floor. Otherwise, our enemies can always look at the New York skyline and smile.

**Bob Scherer \*** Port Authority & Families 7/1/2007

I would like to see them rebuilt in my lifetime. Let's get it done.

**Roy Johnson** All Other Americans 7/1/2007

Let America Stand Tall Again! Roy

**Kelly DiMarco** All Other Americans 7/1/2007

Rebuilding both towers makes a statement.

**Katherine LaPeer** All Other Americans 7/1/2007

This is the best, most common-sense decision. For all the right reasons, rebuild.

**Justin Wascak** All Other Americans 7/1/2007

It warms my heart to see the New York skyline with those Twin Towers reappearing on the website animation. I will gladly add my signature to the petition.

**George Kourlas** Metro New Yorkers 7/1/2007

Enough politics! Rebuild them now!!

**Patrick Sennett** All Other Americans 7/1/2007

Build them 120 stories tall this time, and maybe build three of them (replacing #7 also). What better to replace the twin towers than the tri-towers?

**Kristy Cook** All Other Americans 7/1/2007

Stop dragging this out – rebuild the towers and show the world America won't succumb to the scare tactics of cowards who don't fight fair!

**Pablo Carreno \*** All Other Americans 7/1/2007

Put it back how it was. This will be proof that nothing will tear us down. Not even knocking down the towers.

**Patrick Williams \*** All Other Americans 7/1/2007

Damn straight I want those towers rebuilt, but made to withstand a similar attack!

**Greg Burcham** All Other Americans 7/1/2007

Put it back the way it was... This sends a clear signal to those who would attempt to tear apart this great Union. We will not be bullied!

**Gerald Kiely** All Other Americans 7/1/2007

The Twin Towers need to be rebuilt bigger and better than before to show the world that America will not be defeated.

**Gabriel Maldonado \*** All Other Americans 7/1/2007

bring them back tall and proud

**Blane Kilpper** All Other Americans 7/1/2007

I strongly support the rebuilding of the Twin Towers. Anything less would be a victory for the terrorists.

**Dan Kiniry** All Other Americans 7/1/2007

As an American, I say let's rebuild. Let's show some backbone.

Dan in Texas

**Bill Burns** All Other Americans 7/1/2007

Rebuilding the Twin Towers would be "doing the right thing, at the right time, for the right reasons".

Rebuild the towers!

**Robert Dean** All Other Americans 7/1/2007

Why would we not rebuild this site as it stood before, as a statment to those who wish to destroy us. As Winston Churchill said in his Blood, Toil, Tears and Sweat speech, You ask, what is our aim? I can answer in one word. It is victory. Victory at all cost – Victory in spite of all terrors – Victory, however long and hard the road may be, for without victory there is no survival.

**Jennifer Sparr \*** All Other Americans 7/1/2007

**Jeff McKinney** All Other Americans 7/1/2007

Bigger and better!!!

**Joseph Novak** All Other Americans 7/1/2007

Back in 2001, I was disappointed when hearing that the Towers wouldn't be rebuilt...I wondered if there was something structurally unsound about the site... I had no idea it was a political unsound-ness. This is a great idea, they should be rebuilt, bigger and taller, and as soon as possible.

**Timothy Sandefur** All Other Americans 7/1/2007

Rebuild them beam for beam and bolt for bolt.

I worked on the North Tower while it was under construction, I still have a topping out souvenir. Good luck and God Bless

 **David Klein** All Other Americans 7/1/2007

The true way to defeat the terrorists is to rebuild the towers. Show them that we will not back down. We will not retreat an inch.

Make the new buildings 50 – 100’ taller. I would put one of my company offices up there if I can afford it.

 **James Sampson** All Other Americans 7/1/2007

Make New York New York again! Give us back our sky line and let the rest of the world know we can’t be defeated with a some box cutters and 767’s.

 **Scott Miles** All Other Americans 7/1/2007

Dear NY: Please do the right thing and rebuild the Twin Towers for all Americans. Thank you, SMiles

 **Ralph Juliano** All Other Americans 7/1/2007

 **Mike Healy** All Other NY & NJ Residents 7/1/2007

Show them our strength and rebuild the beautiful towers one floor higher than before!

 **Franco Eric** All Other Americans 7/1/2007

Rebuilding of the Twin Towers would be, in my opinion, the ULTIMATE memorial to those who died at the hands of those crazies from the sand box.

 **David Stech** All Other Americans 7/1/2007

Rebuild the towers, but  
ONE FOOT HIGHER than before!

 **Timm Boege** Architects and Builders 7/1/2007

 **David Sbarra** All Other Americans 7/1/2007

I agree it is time to quit acting like wimps and get back to the business of being Americans.

 **Greg Kimble** All Other NY & NJ Residents 7/1/2007

Exact same looking buildings only 1 foot or 1 floor taller!

 **CRiSS JACKSTO** All Other Americans 7/1/2007

THE LEAST THEY COULD DO IS REBULID!!!!!!!

 **SHARA COHEN** Metro New Yorkers 7/1/2007

History requires that we rebuild. Real, every day New Yorkers want their towers back.

 **william stokes** All Other Americans 7/1/2007

 **John Peggs** All Other Americans 7/1/2007

Restore our nations pride and proclaim from the tops of the new towers to all that would destroy us "you will fail".

 **Marc Fusco** All Other Americans 7/1/2007

Rebuild the towers and erase al Qaeda from the earth.

 **Frank Yamond \*** All Other NY & NJ Residents 7/1/2007

Re-build! and use all American Steel, not the Japanese Steel used in the fallen towers!

 **Matthew Drake** All Other Americans 7/1/2007

I agree completely with the heart of this petition, but we should not rebuild the towers exactly as they were. We should make them bigger, better, stronger.

That said, the new WTC should recall the aesthetic of the original buildings. They will tell us how much we loved the old designs, what they meant to us as a nation, and how we plan to move forward in this century and the next, and the next.

Anytime I see the Manhattan Skyline in an old movie, it's like a dagger through my heart.

 **Richard Brice** Our Elected Representatives 7/1/2007

Please rebuild the twin towers as they once were, in fact , even bigger and taller. Thank you.

 **Mike Owen** All Other Americans 7/1/2007

Bigger and Better – That's the American Way.

I may not be a New Yorker, but I'm an American, and this is a wonderful idea.

 **Ellen Beck** All Other Americans 7/1/2007

Are we going to let terrorists win?

 **Fred Nelson** All Other NY & NJ Residents 7/1/2007

It's the right thing to do.

**Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.**

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

\* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.

*This website is not as scalable as newer sites are and is best viewed on full-size monitors.*
