

WHAT THE PEOPLE WANT WHAT NEW YORK NEEDS WHAT AMERICA DESERVES

"Dream No Small Dreams"

THE ALLIANCE THE PETITION THE COMMENTS THE INDEX THE COALITION THE JOURNAL THE INSTITUTE

REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Click above for more comments that rebuke the cynicism that tried to replace the Twin Towers and failed.

It would mean so much to the people of New York to see the Twin Towers rise again.

Raymond Ward All Other Americans 4/8/2006
I'm not a fan of Trump but he had the right idea. We need the towers back. More importantly, we also need a memorial for those who lost their lives and the pain of their loved ones.

i don't know ANYONE who doesnt prefer rebuilding to what they plan now. The people did not choose this design. corporate greed and those with power and influence did. The terr@rists are attacking democracy...and without rebuilding, theyve succeeded!

Carol Miller All Other Americans 4/3/2006
Recently I visited NYC and was very surprised to hear that the rebuilding process of the Twin Towers is in a state of limbo. In an almost spiritual sense two towers

Tommie Yates All Other Americans 4/2/2006

Please re-build – don't let the people who did this win.

Dhaakira Mays All Other Americans 4/1/2006

I can still remember where I was on that terrible day and how broken I felt. To build anything less of those beautiful towers is a slap in the face – only they can mend America. The freedom tower will only be a painful reminder of a bad decision.

Andrew Aspley Citizens of Other Nations 4/1/2006

The world wants to see those magnificent towers rebuilt, don't let the terrorist win!

Kevin Lamontagne All Other Americans 4/1/2006

Lets show those terroist fucks what America is really made of!! Rebuild the towers to their original glory.

Michael Finholt All Other Americans 4/1/2006

Rebuild 'em and maybe we can get our constitution and bill-a-rights back.

Make New York City NEW YORK CITY again!!!!

Gene Cobb All Other Americans 3/31/2006

I can't believe that we even HAVE to be signing a petition to do this. And with 111 stories just to say FU#K YOU OSAMA! What the heck ever happened to: 'we shall rebuild'? didn't the prez. say that? This is a disgrace we even have to BEG!

Todd Foy All Other Americans 3/31/2006

Build them taller, bolder, and prouder than ever. What a fitting tribute that would be to the victims of 9/11. We did not cower in fear, but stood boldly in the face of our enemy.

Rob Wilber All Other Americans 3/31/2006

The defiance we felt in the immediate aftermath of September 11, 2001 must be resurrected and re-channeled. Build the Twin Towers again and show every American friend and foe that the course of our destiny will not be altered by the whim of savages.

Bob Armstrong Lwr. Manhattan Residents & Workers 3/31/2006

After 22 years living at the Fulton Fish Market , 1 klik from the pit , I've left NYC for the West in part because of the mediocrity the nanny police city-state of NY has become , exemplified by the shattered Lebeskind design fiasco .

Raymond John Mollica Metro New Yorkers 3/31/2006

must go up because of the way they were brought down.

As a former Congressman, I would love to see us stand up by not letting the terrorist keep us down. Rebuild with a few extra floors higher.

Rebuild the Twin Towers. There is no compelling reason why anything less should be part of the New York City skyline. We have the greatest city in the world, and must not settle for less.

The Twin Towers were symbols of our nation's integrity and compasion for our fellow man.

A good friend of mine worked in the WTC and tragically lost his life. He was engaged to be married October 20, 2001

 **Martin Goldstein** Metro New Yorkers 3/30/2006

the twin towers should be rebuilt--nothing else would fill the void that they left.Anything else would be a permanent reminder of what had been lost--not just the lives of those so monstrously taken, but the resolve and courage of all our heroes.

 **Gary Shea** All Other Americans 3/30/2006

Rebuild the Towers and demonstrate that Americans are capable of rebuilding what we value and defeating those who would come to the US to destroy what we hold dear.

To not build the towers is a sign of defeat that is desired by these people.

 **Matt Nelko** Lwr. Manhattan Residents & Workers 3/30/2006

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry
