*"Dream No Small Dreams"*

THE ALLIANCE THE PETITION THE COMMENTS THE INDEX THE COALITION THE JOURNAL THE INSTITUTE

REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Click above for more comments that rebuke the cynicism that tried to replace the Twin Towers and failed.

I want to see the towers even higher and better than before. Just to show them that you can't keep us down. We will just come back bigger and stronger than ever.

**Matt Hill** All Other Americans 4/25/2009  
Donald Trump recently said to either rebuild the twin towers or make a huge memorial part and that the Freedom Tower is a piece of junk. I agree.

Rebuild the twin towers to their former glory and restore the NYC skyline with these beautiful buildings.

**Dave Hook** 9/11 Families & Close Friends 4/25/2009  
Please rebuild the twin towers, it is the best idea for ground zero yet. The freedom tower design is ugly and defeatist.

**Michael Studley** All Other Americans 4/25/2009

**andrew rene \*** Metro New Yorkers 4/24/2009  
my name is andrew and i think u should rebuild the towers otherwise u will be giving all those terriost what they wanted. they wanted for our country to get destroyed. also for all those people that died it would be good for it to get rebuilt.

**Alex Fedyk** Citizens of Other Nations 4/22/2009

**jose martinez \*** Metro New Yorkers 4/22/2009  
I think you should build the TWIN TOWERS AGAIN because growing up i always wondered what it would be like to work there. Also i want to serve my country to dedicate my life to the 911 victims. So you should build the WTC 2 again better stronger and more bigger. Those two buildings felt like a symbol of freedom and courage.

**David Hernandez \*** All Other Americans 4/22/2009  
they were great before and should be built to restore americas power in the world.

**Paul Lapre** All Other Americans 4/21/2009

**Vitan Vitkov** Citizens of Other Nations 4/21/2009  
Make the New Yorkers proud of New York! Make the World proud of Manhattan again!  
Twin Towers II would represent the acievement of men and the strength of all of us...  
Make New York – New York again!

**Jordan Taylor \*** All Other Americans 4/20/2009  
Please rebuild the world trade center :(

**Matt Kitler** All Other Americans 4/19/2009

**David Ruggiero** All Other Americans 4/16/2009

The designers of the new WTC are trying to put in all of this historical symbolism when really the WTC isnâ€™t about history — the WTC is about the pride of America. Rebuilding the towers would show that the same pride is still here and that it is stronger than ever. They would also in themselves be a memorial of that dreadful day and all the civilian souls that were lost to war. The towers would also tell the families of the victims that their loved ones wouldnâ€™t die in vain.

**Jessica Moore** All Other Americans 4/16/2009

Build them and fill the hole that is currently in our skyline.

**thayer william smith** Metro New Yorkers 4/14/2009  
ya gotta do it... buildem better though, technologically correct, put a dopler on these ones!

**Kyle Burns** Citizens of Other Nations 4/13/2009

im a british student from manchester, i think every person in this petition is in it for the same reason, they want to make a stand and show how america and american citizens will not be beaten or changed by the act of terrorist scum. re-building the twin towers is the perfect and best way to do this.

**Roman Brady** All Other Americans 4/13/2009

Rebuilding is the only option to show the strength and determination that Americans will not stop.

**tony mcgee** Citizens of Other Nations 4/13/2009

I want to see the twin towers back in new york. I live in england, and ive always wanted to go to new york, but new york just isnt the same as it was when the towers where there. I dont think people want to see the freedom tower or whatever it is called. People want to see the twin towers.

**Amy Wroble \*** All Other Americans 4/12/2009

I would really love to see the twin towers rebuilt. I believe the sky line is just not complete without the World Trade Center buildings!

**William Carmack** All Other Americans 4/11/2009

I would love to see the Twin Towers built back like they where. They are a symbol of NYC Skyline, I have been to NYC several times, and I can not imagine NYC without the Twin Towers. Thank you

**Mark Costik \*** All Other Americans 4/11/2009

Rebuild, Rebuild, ...REBUILD!!!

 **Nicholas Taylor** All Other Americans 4/18/2009

Rebuild the twin towers how they were, where they were!

 **Laurel Persowich** 9/11 Survivors & Families 4/18/2009

Too many people lost a loved one on September 11th and it's not fair that they have to live with the horrible reminder that they are gone everyday by looking at the empty space in the New York skyline. I'm all for re-building the Twin Towers and the day that happens will be the happiest day of my life. \*Bring on the Towers! Bring back the brothers. Bring back this world.\*

 **Montana Eck** All Other Americans 4/18/2009

I believe they should rebuild the twin towers we need them back but hey dont punish freedom tower why cant we have all 3

*TTA Note: If it were a better building — instead of "a horse designed by a committee" — that might make sense, but no one wants to rent space in a windowless bunker, as the last four years in a boom market have demonstrated.*

When you get knocked down you get back up. You come back bolder and stronger. Rebuild the Twin Towers! The freedom tower isn't a symbol of america, its a symbol of weakness.

 **Phyllis Sherwood** Citizens of Other Nations 4/17/2009

I am a British student, who was at junior school, when the Twin Towers were targeted, and one of my ambitions would be to come to america and see where the World Trade Centre, and Twin Towers were. I think that the WTC and the Twin Towers should be rebuilt. I always like looking at pictures of how the Twin Towers used to look like, but it breaks my heart to think of what happened that day! R.I.P all of the people who lost their lives on the day of 9/11. XXXXXXXX

 **Adam Lenser** All Other Americans 4/16/2009

Did Charles Lindbergh settle for anything less than being the first to cross the Atlantic solo nonstop?

No.

Did Martin Luther King, Jr. settle for anything less than equal rights for all men?

No.

Did America settle for anything less than being the first to step on the moon?

No.

Did the Founding Fathers settle for anything less than being a nation free from tyranny?

Never.

 **John Dawson** All Other Americans 4/16/2009

These buildings are the flag at Iwo Jima of our generation. Commercial interests should not be involved. Nationalize the project and kick these idiots off the job. At bare minimum build the same buildings, if not twice the size. And it should be build at full speed. Mr Obama could win a lot of hearts by announcing a bold vision for the project and hiring thousands of people with good paying jobs to build it. Until this is built, it is a national disgrace. Our enemies are laughing.

 **Richard Hyde** All Other Americans 4/16/2009

We need to rebuild the twin towers as they were. Not to do so reflects our bowing to the fear that the terrorist want us to be enslaved to. America should only fear God. REBUILD THEM AS THEY WERE!

 **George Shoumaroff \*** All Other Americans 4/16/2009

After WWI and WWII alot of landmarks that were destroyed by the wars were rebuilt and restored. The Twin Towers are American landmarks that need to be restored to original form.

Rebuild the Twin Towers! :D

 **CESAR ARIAS \*** All Other Americans 4/11/2009

Rebuilding the towers exactly as they were is the only acceptable end game!!! We will never forget what happened on 9/11. Rebuilding the towers exactly how they were will show terrorists all over the world America's resolve!! We will never bow down to their tactics or demands.

 **Ryan Walker \*** All Other Americans 4/10/2009

I know it was evil when the towers where destroyed but where airport security is so tight these days, do you really think there is a chance that they will be hit again? I think not!!!

 **Mark McKenna** Citizens of Other Nations 4/9/2009

I live in New Zealand and love America, I would love to go to NYC and hopefully one day when I go I will be able to see the twin towers standing tall.

America was targeted for a reason because it is the best country in the world and other countries are jealous of its power but no other country will stop America's light from shining.

If the twin towers were rebuilt then America can win the fight and will be in control of the world trade center again and we can finally move on from 9/11.

Failure to rebuild the Twin Towers will mark the decline of America. It's that simple.

 **Scott Evans** All Other Americans 4/7/2009

Rebuilding the towers would be akin to falling off the horse and climbing right back on. Times-a-wastin'. Let's Git 'Er Done!

 **Fulgencio JosÃ© Quesada \*** Citizens of Other Nations 4/7/2009

Please rebuild Twin Towers II, with the Freedom Tower the skyline is not a skyline of NYC. Signature from Spain.

 **utku sarper** Citizens of Other Nations 4/6/2009

REBUILD!!!!!!

 **Carl Yelland** Citizens of Other Nations 4/5/2009

Nothing less than rebuilding the Twin Towers exactly as they were is acceptable to any world citizen who values freedom and democracy. When the Campanile of St Mark's Square in Venice collapsed in 1902, the city authorities and the citizens of that other great republic were of one voice when they considered a replacement:

"DOV' ERA E COM' ERA" – "HOW IT WAS, AND WHERE IT WAS".

 **Chris Boulden** All Other Americans 4/4/2009

Our current plans to "rebuild" the World Trade Center don't rebuild them at all- they simply give us generic, paranoid buildings that seem to erase what happened on 9/11. If we truly want to create a memorial to that day, if we want to make a statement about our will and our abilities, we must rebuild the twin towers greater than ever before.

 **Matthew Young** All Other Americans 4/4/2009

Dear Twin Towers Alliance,  
My Name is Matthew Young and I am writing to you

Send a message to the World and rebuild the WTC Twin Towers!

from Bellflower, California. I believe that the Twin Towers must be rebuilt because they symbolize New York. I think President Obama should take charge of the rebuilding process because it is not a thing that should be left to the city or the state. They are afraid to rebuild the Twin Towers because they think another 9/11 will happen if we do. I pray that Obama has gotten the message so he can act as soon as possible.

 **Andrew Cardenas** All Other Americans 3/29/2009

Give Americans What Americans Want In America Its Our Country.....WE WANT THE TWIN TOWERS BACK SO GIVE US THE DAMN TWIN TOWERS!

We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.**

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

\* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
