REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

NY skyline needs the twin towers back. Rebuild because it will send a message like from a famous American Terminator (Schwarzenegger) it will speak volumes of "I'm baaaaaacccck!!

Rebuild them to be the tallest in the world!

If we don't rebuild them better than they were, then the terrorists will have won. Why can't we rebuild them without the achilles heal that the original stuctures had. Build them stonger to sway in the face of adversity!

The twin towers need to be rebuilt as they were. **They were a symbol of American pride and capitalistic virtue.** By rebuilding the towers exactly as they were, we are telling our enemies foreign and domestic that we will not cave in to the tyrannical forces that wish us harm. Our forefathers fought for this great country, **will we?**

Bruce Merrill All Other Americans 8/16/2007
Rebuild the TwinTowers! Bigger & Better! Stronger & Safer! I can't believe construction is not already on its way, or even completed by now! What's NY waiting on!? The longer NY goes w/out towers, the more it appears weak. As if allowing the third-world finatics to have won with their evil. We need to build those towers back up bigger and brighter than ever before. They were (are) a symbol of not only NY but America's might. **Stop pussy-footing around! The victims would want us to rebuild!**

The only fitting memorial to all the innocent lives lost on 9-11 would be to rebuild the twin towers as they were – a bit stronger; a bit taller, sure, but, as they were on 9-10-01. And not, definatly not that so called winning design. Not only is that whole concept a very poor memorial – it's just plain UGLY!!! The twin towers stood tall, proud and very beautiful

The assertions of this petition could not mirror my own deepest feelings any more!!! **This is a wake up call to all American citizens** — please, please please do not allow New York City to be permanently scarred!! There would be too much office space lost, and this is ridiculous! Please do not give our enemies any satisfaction to realize that they've succeeded in intimidating us!!!

Frank Ammendolea * All Other NY & NJ Residents 8/9/2007

Build them again, but one floor higher. It's the greatest "F-You" that we can send to those bastards!

Karen Meierdiercks Metro New Yorkers 8/8/2007

Rebuild them, but up to code and safer.

I'M ORIGINALLY FROM NEW YORK. I NOW LIVE IN CONNECTICUT AND I SINCE A CHILD WANTED TO SEE THE TOWERS. I ALWAYS THOUGHT THEY WERE SO BEAUTIFUL LIKE THE PYRAMIDS OF GIZA. I'M GLAD TO SEE THIS PETITION BECAUSE THIS SO-CALLED FREEDOM TOWER IS A JOKE. REBUILD THE TOWERS AND BRING BACK THAT MEMORY I HAVE OF THE TRUE NEW YORK SKYLINE. POWER TO THE PEOPLE.

 **Alex Burt** Citizens of Other Nations 7/25/2007

The twin towers were more than just office buildings – they were potent symbols of strength and freedom. Rebuilding them would restore our confidence and do justice to the thousands who died on that day.

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
