REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Rebuild the towers and let them serve as a vibrant and permanent memorial to the sacrifice made on 9/11.

 **Louis Martinez** All Other Americans 7/1/2007
I want the Twin Towers rebuilt and stronger than the previous ones. I want them to be 2 giant middle fingers to our enemies and all those rejoiced when it happened.

 **Hana Berger** All Other NY & NJ Residents 7/1/2007

 **Mark Dranias** All Other Americans 7/1/2007
rebuild the towers, dont build a 1776 foot tombstone.

 **Carl Ragan** All Other Americans 7/1/2007
The towers are so beautiful. The new plan is both costly and the current design is ugly too modern and show a flowery approach when the concrete and steel is what we need.

 **Todd Sobotka *** All Other Americans 7/1/2007
Build them one story higher!!!

 **Carol J Ritter Barnett *** All Other Americans 7/1/2007
The most powerfull way to show the futility of the radicals senseless evil is to build them back exactly as they were.

 **Patrick Nassaney** 9/11 Families & Close Friends 7/1/2007

 **Joe Shaffer** All Other Americans 7/1/2007
IF this were our grandparents generation, they would've been rebuilt in less than a year, probably even with a big target on them saying 'bring it on'. But not today...
Rebuild the towers !

 **Paul Ziegler** All Other Americans 7/1/2007
REBUILD THE TOWERS AS THE WERE ONLY MAKE THEM THE TALLEST BUILDINGs IN THE WORLD...

 **Dan Rhodes** All Other Americans 7/1/2007

 **Brett Bibb** All Other Americans 7/1/2007
Rebuild them just as they were only use asbestos on the interior structure. If this had been done originally they may have made it through the September 11 attack. Lawyers kept that from happening and lawyers are a big part of the delay in allowing the Twin Towers to be rebuilt.

 **Judy Hardy** All Other Americans 7/1/2007
We should absolutely do the right thing.. bring them Back! Shame on all of us – it's mid 2007 and they should have been back well by now! Bigger, stronger, glorious. Come on America, we can do this. Let's collectively get something right. J. Hardy, NH

 **Kent Linares** All Other Americans 7/1/2007
Show courage America. Support the building of the towers. Let them raise up to face the challenge of who we are.

 **Paul Batemarco** Metro New Yorkers 7/1/2007
It's the right thing to do!

 **Robert Merritt** All Other Americans 7/1/2007
Bring 'em back!

 **Steve Komito** All Other Americans 7/1/2007
I lived in northern NJ all of my life until 2002. I was in NYC that awfula day & still miss the beauty of those buildings. They deserve to grace the skyline and be an inspiration of hope to all of us again. Please build them back up!

 **Steven Carle** All Other Americans 7/1/2007

 **Clint Baggette *** All Other Americans 7/1/2007

 **Brian Bender** All Other Americans 7/1/2007
Rebuild them. Bring back the glory of the site. Do it right.

 **Robert Gehring** All Other Americans 7/1/2007
We cannot allow defeatism. Rebuild the towers.

Get the suits out the way! Now your mayor is going put his attention towards the white house in running for Pres. (God help us!) So now New York will be w/o a mayor, sound like the perfect time to get something thru !

 **Chris Kane** All Other Americans 7/1/2007

I never understood why this wasn't the plan from the beginning. What could be a better way to show we won't be forced to change our way of living than to defiantly put the Towers back. Additionally, what could possibly be a better memorial to all those who tragically passed away in those buildings than to re-erect (sorry, not sure if that's a word) the original structures. They don't have to be on the "footprints" of the original Towers, I completely understand that that is hallowed ground

 **Jean Parks** All Other Americans 7/1/2007

Please build the Twin Towers the same as they were, but better constructed for attacks, so nothing like this ever happens again! Rebuilding the Twin Towers will give a strong statement to our enemies! AMERICA IS STRONG AND WE WILL NOT LET THE ENEMY BRING OUR COUNTRY DOWN!!!!!!

 **Michael Neitzel** All Other Americans 7/1/2007

Rebuild the Twin Towers. This is the only option, you elitist do-gooders days are numbered.

 **Shawn Hutchinson** Construction Workers & Families 7/1/2007

 **john hallmark *** All Other Americans 7/1/2007

 **David Ankersen** All Other Americans 7/1/2007

Rebuilding the twin towers is the right thing to do.

 **Drew Meyerowich** Our Armed Forces & Families 7/1/2007

Currently Serving in Iraq, with 3 additional tours both here and Afghanistan. I grew up looking at the Twin Towers and their destruction drives me to do what I do. Rebuilding them is the way America can show we are not swayed by terrorists...WE WILL PREVAIL!

NO FEAR!!!

 **John Pulford** All Other Americans 7/1/2007

Re-build Twin Towers as they were, but taller.

 **Marshal Manlove** All Other Americans 7/1/2007

Rebuild now.

 **John Zupancic** All Other Americans 7/1/2007

Rebuild them bigger, better, taller and more extravagant! If we don't rebuild them (or if we don't build something close to the original), then the terrorists have won. We cannot allow them to affect our decision making nor our daily lives.

 **Ryan Dwyer *** All Other Americans 7/1/2007

I have wonderful memories of these buildings. It would be a shame not to resurrect them.

 **SHELDON SCHUSLER *** All Other Americans 7/1/2007

 **kenneth jeffreys *** All Other Americans 7/1/2007

The current plan is nothing more than evidence of the continued emasculation of American power and national identity. The current plan and it's international theme is an insult to New York City, NY, United States of America.

 **james eckhart *** All Other Americans 7/1/2007

It would be a huge slap in the face if we didn't rebuild the twin towers exactly as they were before that fateful day that they fell. If they weren't important, then why do they appear in almost every movie that was filmed in NYC prior to their collapse? REBUILD THE WORLD TRADE CENTER EXACTLY AS IT WAS BEFORE.

 **Karl Labertew** All Other Americans 7/1/2007

Rebuild the original. Let the world know who's in charge!

 **charles federspiel** All Other Americans 7/1/2007

 **ed olds** All Other Americans 7/1/2007

 **Jim Phelan** All Other Americans 7/1/2007

Just got back from NYC & visiting the WTC site. Yes! Rebuild. You already have the blueprints and did it before. Structural flaws?? Buildings don't need to be designed expecting to have planes crash into them. Put an anti-aircraft missile launcher on top.

 **J- Sun** Metro New Yorkers 7/1/2007

 **peter gadoury *** All Other Americans 7/1/2007

Not putting them back shows we are afraid they will hit them again. Put them back and protect the hell out of them!

 **Victoria Joubert** All Other Americans 7/1/2007

I was living in New Jersey on 9/11. I know live in Florida. I can't stand the was lower Manhattan looks. From day one I thought the Towers should be rebuilt taller and better than ever. We have the technology. I hope we have the will, too.

 **Thomas McGowan** All Other NY & NJ Residents 7/1/2007

The Towers were a symbol of the United States and they should be again.

 **Richard Harmon *** All Other Americans 7/1/2007

The Twin Towers should be rebuilt exactly as they once stood. Any other alternative does not reflect the simple truth that this country should not be intimidated by terrorists.

 **Cory Anderson** All Other Americans 7/1/2007

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was

verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.

* Indicates that the signer has not yet activated the validation link, often due to spamblocking software. They are included out of respect for the sincerity of the comments.
