REBUILD THE TWIN TOWERS! Nothing has rewarded the jihadists more than the ongoing sight of a world landmark wiped off the face of the earth.

— Dan Taylor / Citizen of Other Nations

The world was robbed of the 21st-century Twin Towers most of us always wanted.

Rebuild the towers, they belong to the skyline of NYC and NYC will never be the same without them.

Manny Mendiola All Other Americans 4/24/2006
Towers must be rebuild again! We have to proof the Terrorist we have courage and that we do not care about them...we need to rebuild and also pray for the unfortunate people that die that day!

Nicholas Carillo Metro New Yorkers 4/24/2006
Please rebuild the towers, make NY NY again. I want to look out my window and see them in all their glory and I think anything different would just be a constant reminder of what happend on 9/11 just like the emptyness of the skyline is right now.

I am honored to add my name. DO THE RIGHT THIND, BUILD THOSE TOWERS.

Jonathan Bentley * All Other NY & NJ Residents 4/24/2006
There should be something bigger and better than before. Show the terrorists that we are not afraid. Show them that we are stong.

Paul Vollaro Metro New Yorkers 4/24/2006
This should about more than economics or the current fashions in architecture and city planning. This is about the American Spirit. This is about ultimately winning the battle of 9/11 in the only place where true victory is possible.

Phil Katz Other NYC Responders & Families 4/24/2006
While I don't think our local politians have the wherewithal to actually rebuild the towers as they once stood, doing so would send a strong message to Bin Laden and his group of merry murders that this city's landscape, and the U.S. in general, would not be altered by terrorist acts.

Good Luck! The Towers need to be rebuilt if only to show the world that Americans still have the resolve to live free!

The Twin Towers must be raised to show the terrorists that they have not won. The Twin Towers were a "flagship" to cooperation in world trade and peace.

Pamela Dickman Metro New Yorkers 4/24/2006
The towers should be as they were standing before, only stronger.

Build the Twin Towers stronger and higher and in the same spot they once stood. Do not allow anyone because of their idiotic beliefs to alter the way our cities look. We are who we are. A memorial should be built within the complex.

Richard Darienzo Metro New Yorkers 4/24/2006
Please push new twin towers in the name of the people of NYC and the Nation. The Nation wants the towers rebuilt only maybe a little higher.

Enough Already !

What we New Yorkers need right now is to have Donald Trump get started on the New Twin Towers. Not have them will forever remind us and the world what once stood there.

I live in Rockland Co. and was greatly affected by the events of that day and those that followed in many ways. On a clear day, we could see the towers by looking straight down rt. 17 from as far away as Ramsey NJ. Rebuild them to show we did recover

 **Robert De Palma** All Other NY & NJ Residents 4/24/2006

Those two Towers should represent a clear message to any citizen of the civilized world who loves and believes in freedom...together we stand,divided we fall...those two symbols need to be seen by everyone in the world once more.

 **Marion Drage** Metro New Yorkers 4/24/2006

We need the Towers to be rebuild. Anything less is yielding to the Terrorists. Id Bush, Pataki, and Bloomberg don't understand this then they need to go.

 **Paul D'Aula** All Other NY & NJ Residents 4/24/2006

I'll never forget walking through 5 World Trade and out onto Church Street at 8:30 on 9/11. I am one of the lucky ones. I have spent my entire adult working life around those buildings. To look at the current proposal for the Freedom Tower is, for me, depressing and wholly unsatisfactory. Yes, I lost 2 people in the towers and I have to say that those of us who pine for a lasting memorial will get no more fitting tribute to their loved ones than two restored towers.

I miss the Towers. If we don't replace them, the terrorists win. Anything less than the majestic structures that once dominated our skyline is a sell out to fear. Let's unite and rebuild the Twin Towers!

 **Jeanne Ringel** All Other Americans 4/24/2006

 **Patricia Schneider** All Other NY & NJ Residents 4/24/2006

Yes I always said build them again. It would be a drastic mistake to build a half empty tower. We need to see the Twin Towers

 **Charles Bancroft** Architects and Builders 4/24/2006

I want my towers back ! !

 **pete dickman** Metro New Yorkers 4/24/2006

Please Note: This petition is meant to provide a forum for this subject alone. It is a petition, not a bulletin board. We will not sanitize controversial remarks if the comments are primarily in support of the petition's purpose. But off-topic remarks are subject to removal on a case-by-case basis to keep the focus where it belongs. Thank you.

Important Mention: Those who read back over the comments will find that from time to time we have highlighted excerpts to help those who only have time to skim a page get a sense of what people are thinking and feeling. We rarely do that now and it was never a methodical effort, but just a window on public opinion regarding this monumentally important issue. The important thing to know is that no comment matters more than any other. Each one is valued and helps make the case that the public was sidelined on something that mattered so much.

TTA Note: Occasionally a current signature will disappear. When that happens it is because someone who has already signed the petition signs a second time and when the second signature is validated the two are automatically merged and appear in the original chronology. If someone leaves a second signature and comment, it automatically overwrites the earlier placement when the validation link is activated. If it isn't activated, or it is made using a different email address, there will be duplicate signatures. When we recognize that someone has signed before, we will delete the earlier entry and, if it was verified, verify the new one, since the clear intention is to make the new comment visible. We may decide to manually include the earlier comment at the end of the current message.

Regarding anonymous signatures: Taking a stand using one's full name is always preferred, but when a name is withheld, the signature and sentiments are still of value. In every case, we have an email address that corresponds with the entry and is kept private.
